

Officiating Fees - MacDonald Hockey Association

14 Sep 09

General Guidelines

Assignment of Officials

- All regular season and playoff games of Atom and higher divisions are centrally assigned.

Home Arena

- All officials must have a 'home arena' designated where mileage fees are not applied.
- The designated 'home arena' will be whichever rink (Domain, Sanford, Oak Bluff, or Starbuck) that is closest to the official's residence.
- Any officials assigned from outside Macdonald Hockey will have the closest Macdonald rink designated as their home arena.

Game & Mileage Fees

- Fees are paid in accordance with the attached chart
- Mileage is compensation for driving, and is not required in many situations.
- Team Managers are asked to be cognisant of the Officiating List and guidelines; Officials are asked to be ethical in claiming mileage fees:
Examples: (1) An official from Sanford does 2 games in a row in Starbuck; mileage is paid only once – not for both games. *(2)* An official from Oak Bluff works a game in Sanford and he provides a ride for his partner officials to the game. Mileage is paid to the official driving, not to the other official(s). *(3)* An official from Starbuck (who is also a player) plays a game in Oak Bluff. Right after the game he/she changes into referee gear to officiate the next game. This official is entitled to only half (½) the mileage.
- Officials are encouraged to car pool as often as practical.

2009/2010 Season - Game and Mileage Fees

Novice (7-8yrs)	\$18 (2 officials system)
